

MAINTENANCE ACTIVITIES AT THE MONT BLANC TUNNEL APRIL 2020

The GEIE of the Mont Blanc Tunnel informs you that, in order to allow maintenance works to be carried out and maintenance work to take place, the traffic in the tunnel will be completely interrupted:

- ♦ **on Thursday 23rd April 2020**, from 11.30 p.m. to 6.00 a.m., maintenance works.

The GEIE of the Mont Blanc Tunnel reminds you that when works in the tunnel are carried out, further speed limits are imposed near the yards, in order to protect the yards as well as the people at work. We then invite all the transport companies to draw the attention of their drivers, who are essential partners in safety, to the respect of these limits.

We urge users to take the necessary information about the practicability of the tunnel (Radio FM 103.3 ISO RADIO in Italy or 107.7 AUTOROUTE INFO in France – web site: www.tunnelmb.com – telephone: +39 0165 890411).
